Groupe ADP designs and operates airports responsibly in Paris and around the world. In 2024, it welcomed nearly 364 million passengers across its network of 26 airports, including more than 103 million at its three airports in the Paris region, Paris-Charles de Gaulle, Paris-Orly and Paris-Le Bourget, where the passenger experience is provided by Paris Aéroport. Boasting extensive expertise thanks to its international workforce – including a team of almost 6,000 in Paris – Groupe ADP strives to offer its passengers the highest standards of service and hospitality, while pursuing a strategy focused on performance and the decarbonisation of all its airport activities. Internationally, Groupe ADP has two strategic partnerships with a complementary geographic presence: TAV Airports in Turkey and the Middle East and GMR Airports in India and South-East Asia. In 2024, Group revenue stood at €6,158 million and attributable net income at €342 million.
